## Merry Christmas from our family to yours!

Greetings from cold Canada! We are in the first year of missions training with New Tribes Mission. We have really settled in up here and are greatly enjoying the Bible teaching we are getting. Some of our classes are Foundations for Living, Church Planting, and Practical Training. In Foundations for Living we are taught the foundational truths of the bible. What and

### *What's been happening?*

We have finally come up with a routine that seems to be working for us up here. We figured out where the cheapest place to shop for groceries is, where we are going to go to church... etc. Getting the little things worked out like that has helped to make Canada feel more like home.

Chloe has settled in well with child care, making friends with the other kids as well as with the workers. She now has nine teeth and is working on getting her next ones. Something that always seems to brighten up her day is a good game of peek-a-boo. She is such a joy! We are so thankful that the Lord has entrusted her to us!

Ben, with his free time, has really enjoyed working on and up-dating our new online journal. Check it out:

where our position is, how the Holy Spirit works in our life...etc. In Practical Training we learn different skills that will be useful over seas. Then in Church Planting we have been learning how to fit in culturally and be most effective over seas. We are so thankful for the opportunity we have to study these things!

Ruth has really enjoyed having people in and getting to know the class better. She was also able to teach her neighbor, Julie Meyers, how to make bread and biscuits.

## *The Reason for the Season*

*Jesus Christ is the reason for the season.*  
When I think of Christmas, I cannot help but think of what God has done for us. Mankind has a problem and that is sin. Sin separates us from God (Romans 3: 23). God had a solution to bring us back into fellowship. That was Christ's finished work on the cross (John 3:16). Man now has the responsibility to believe in the death, burial, and resurrection of Christ for forgiveness of sins & eternal life (1 Corinthians 15:3 & 4, Ephesians 2: 8 & 9)! It is because of this that we are able to rejoice in and enjoy the Christmas Season! :)

### *A special message from our family*

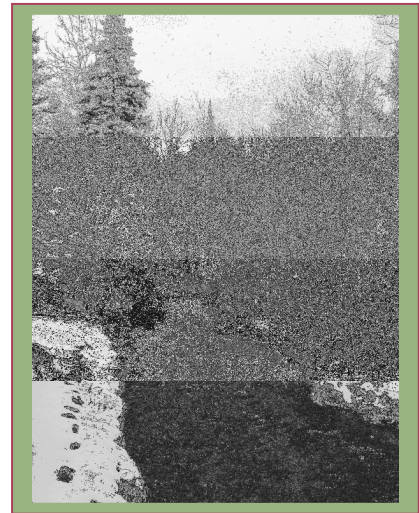

We are so thankful for the privilege of being here at school. We appreciate the warmth of a home and the freedom to worship. And naturally as I sit here typing, we are thankful for each one of YOU! You are such a vital part of our team...each one of you helping to make it possible for us to be here through your faithful prayers and financial support. Thank you for not becoming weary in your well doing! What an encouragement you are to us.

In His Arms,  
Ben, Ruth, & Chloe Kane

### *A Favorite Quote:*

*Being a good person will not  
make God love me any more.  
Failing miserably will not take  
his love away, God loves me just  
because I am his, nothing can  
make Him love me anymore. His  
love is already perfect.*
